

The Amazing Journey

Take time to stop and think.....
Talk to God, just you and Him, together.....
How do you feel?
Are you happy?
Are you hurting?
Give it to God.....

Children get the chance to explore our spiritual journey on their own, no rush no push, no hustle or bustle, just them and God. Think about Advent, Easter, Moving on, Wider World, My Own Journey, the Lord's prayer or Sad Times. Welcome CRB checked members of your local church into school to help create an *amazing* experience.

A class of 30 children would require 2 hours for each child to walk the journey individually, giving them time to explore, think, consider, pray. School needs to provide a space the size of a typical classroom for us to work in, we bring everything else with us, including volunteers to help. We do however need a member of school staff on hand 'just in case' we need to call on them.

Some quotes and prayers from Children in 2010 & 2011:

- 'The best bit was when I let go of the stone. I could really feel God taking my worries, and I felt better.'
- 'Dear God, please help my mum to sort her life out.'
- 'Please please please let other people have freedom and enough food to eat.'

Advent — explore what this means, includes some very simple craft. Aimed at years 2—4.

Easter — explore the run up to Easter Day—suitable for all year groups.

Moving on — moving on can be sad, but can also be an exciting time. Time to reflect and anticipate. Suitable for year 6 but we are currently adapting for other year groups. Book early to secure the best time for you!

The Wider World — think of others throughout the world. Look locally, look further. Suitable for KS2.

My Own Amazing Journey — do you fit in? Get things wrong? Are things tough right now? What about those around you? Suitable for years 2—6.

Sad times — a journey prepared just for your sad times. Maybe you have lost a member of staff, a parent, or something else is causing your children to grieve. Call us and we will come to your school just as soon as we can. This journey is provided FREE OF CHARGE.

Lord's Prayer — created especially to celebrate 400 years of the King James bible, but excellent for explaining the meaning of this special prayer. Years 2—6

An Amazing Journey...

into a wider world

Looking at the world around us and how we can protect it

An Amazing Journey into a Wider World

This leaflet gives you an insight into the Amazing Wider World Journey, though not all the wording is included due to the size of the leaflet. If you wish to know more, please ask.

The journey is suitable for children in KS2

Water

Water doesn't seem very exciting does it? The problem is, there are times when some places have either too much or not enough.

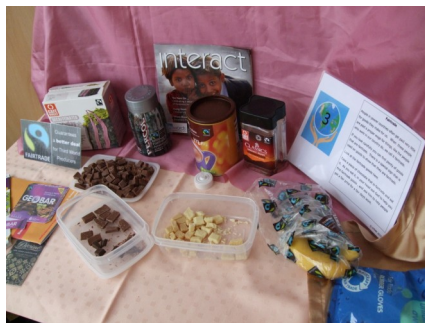

Take a drink of water. As you sip it, look at the photo's and in your head tell God how the photo's make you feel, or if you prefer, write it down on a paper.

Fairtrade

People in poorer countries often get paid very little for goods they make for us. When these people are paid a proper wage for things, like the people who work in our country do, we call it fairtrade.

Take a piece of chocolate that is fairtrade and eat it.

Food

In our country we can easily find food. We always have plenty to eat. For some people in the world, there is very little food to eat.

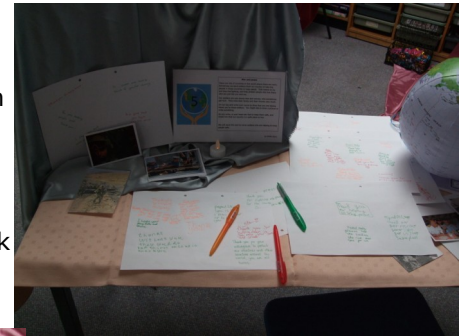

Look at the photographs here. Stick a spot on the edge of the picture to show that you have talked to God about it.

War and peace

There are lots of countries in the world where there are wars. Sometimes we send soldiers from our country to help the people in those countries to keep peace.

On our big card write your name to show that you are saying thank you to those soldiers

Freedom

If you lived in China, you wouldn't be allowed to follow any religion. If you lived in Palestine, you wouldn't be able to go out at certain times of the day.

Take one of the links from our chain and break it.

How do you feel when you think of people who live in poorer countries how does that make you feel? Their life will be very different to yours.

Maybe you would like to tell God by writing him a message or drawing a picture on a paper. Slip it into the heart.

All ideas, materials and wording of all journeys are copyright Hand to Mouth. Please do not replicate these under any circumstances
